LIVESTOCK RULES

ERIC TREECE, Livestock Coordinator

Phone: (928) 526-6346

In addition to the General Fair Rules, National Show Ring Code of Ethics for the 2005 Coconino County Fair, and individual department rules, the following specific regulations shall apply to all Junior (4-H/FFA) Livestock, Open Livestock, and Junior Livestock Auction entries. Any violation of these rules may result in disqualification from the Fair, removal of exhibitor and exhibits from the fairgrounds, and/or forfeiture of premium awards. **Please read all rules carefully.**

GENERAL LIVESTOCK RULES:

1. All rules are subject to interpretation by CCPR. CCPR reserves the right to add to or amend these rules as deemed necessary. Willful violation of any Fair rules will result in disciplinary action, including refusal of entries or removal of entries from this and/or subsequent fairs.
2. All Junior and Open large livestock exhibitors, including Horse exhibitors, must be at least nine (9) years of age by January 1, 2005. 4-H exhibitors must be nine (9) years of age by January 1, 2005, and not have passed their nineteenth (19th) birthday by January 5, 2005.
3. Exhibitor must have reasonable control over his/her animal at all times while at the Fair. Any exhibitor who cannot maintain reasonable control over his/her animals will be required to remove the animal from the fairgrounds.
4. All exhibitors, parents, leaders, advisors, etc. are to conduct themselves in a proper manner. This includes proper behavior and proper dress as required by the 4-H or FFA programs – no tennis shoes, open-toed shoes, t-shirts or ball caps while showing. Use of inappropriate language or conduct by exhibitors, parents, leaders, advisors, etc. is prohibited and is grounds for disqualification. Violation of this rule will result in expulsion from the barn, show ring, or fairgrounds.
5. When animal barns are closed for any reason, all parents, leaders, and visitors are required to leave the closed area.
6. All animals must be healthy, sound, free of drugs, and free of external parasites. No unhealthy animals will be allowed to remain on the fairgrounds and cannot be sold. If a question arises as to the health of the animal, a veterinarian will be summoned at the expense of the owner or exhibitor. Deformed and/or injured animals will not be accepted and may not be shown.
7. If any exhibitor, or parent of an exhibitor, verbally or physically confronts a judge, that exhibitor will be disqualified, and the exhibitor (and/or parents) will be required to immediately remove themselves and the exhibit(s) involved from the fairgrounds. Awards and premiums will be forfeited. Any parent, leader, or fairgoer who verbally or physically confronts a judge will be required to immediately remove themselves from the fairgrounds.
8. The base date for determining the age of an animal will be the first day of the Fair, unless stated otherwise in individual department rules.
9. No chemicals (except those approved in writing by the Fair management) shall be used within livestock pens or barn areas.
10. Ownership requirement of non-market livestock is 60 days prior to opening day of the Fair. Animals must be in the exhibitor's possession and under his/her daily care from that date forward.
11. All livestock exhibitors must check-in their own animals.
12. Ownership papers, ear tags, tattoos, and required health inspection papers must accompany all animals to weigh-in and check-in. Any animal without accompanying proper ownership papers and tags or tattoos will not be accepted or weighed in.
13. Check Entry Deadline and Receiving Dates and Times Schedule for all livestock.
14. All large livestock must be inspected by the Livestock Inspector, Thursday, September 1 between noon and 7:00 p.m.

NEW RULE FOR EXHIBITORS AT BEEF BARN:

15. Exhibitors who live more than 50 miles away from Flagstaff area (i.e. Page, Tuba City, etc.) may start loading and leave the area at 2:30 p.m. on Monday, September 5, 2005.
Exhibitors who live less than 50 miles away from the **Flagstaff** area (i.e. Flagstaff, Williams, etc.) may start loading and leave the area at 3:00 p.m. on Monday, September 5, 2005.

15. Large livestock exhibits will be checked in Thursday, September 1 between noon and 7:00 p.m. Large livestock will be vet checked at this time and prior to being placed in barns. All large livestock must have accompanying ownership/hauling papers. All large livestock must be checked in with the appropriate superintendents prior to being placed in a stall or pen.

16. Early check-in is available for large livestock exhibitors who live 50 miles or more from Flagstaff. The 4-H Leader/FFA Advisor for that project must call **a week before entry day** and make arrangements with the appropriate Superintendent to come early. This conversation should include the number of animals coming, the exhibitor's name, and an approximate time of arrival (should be within 30 minutes of time specified unless they notify CCPR of an emergency that has occurred that morning—problems with animal loading, traffic accident, etc.). CCPR will then notify the appropriate Superintendent if time permits before the Superintendent arrives. If the 4-H Leader/FFA Advisor does not come or make prior arrangements with the appropriate Superintendent, the animal will not be allowed on the grounds until the regular check in time of Noon. It must stay in the trailer until that time. **4-H Leaders/FFA members and parents are reminded that leaving animals in for long periods of time without adequate water or ventilation may result in loss of condition or more serious health consequences for the animal.** Any animal coming prior to the Official Fair Veterinarian being on-site must have a health certificate from a licensed veterinarian within the previous 24 hours. All other required paperwork, such as livestock inspection papers, must accompany the animal as well. Any animals that have not had pre-arrangements made with the appropriate Superintendent cannot be placed in unoccupied pens. If animals are placed in unoccupied pens, they will be disqualified from the Fair and be unable to show or auction. The 4-H Leader/FFA Advisor for that project must come with the load of animals. They are the only adult permitted to check-in animals with the Superintendent. The leader will be allowed to bed and water each animal. 4-H'ers who come with the load of animals can also help check-in, bed and water animals coming with the load. They must check-in their own animal with the Superintendent for the appropriate department when they arrive. For animals arriving early without the 4-H/FFA members, the member is required to physically check-in with the Superintendent before 7:00 p.m.

Failure to do so will result in disqualification of the exhibitor and removal of the animal from the Fairgrounds.

17. All sheep and goats must meet current state and federal regulations (see <http://usaip.info> for current information). Also, see Sheep and Goat Departments for specific regulations.
18. All small stock (rabbits and poultry) must be vet-checked upon arrival and before being placed in a pen or a cage. Check with the Superintendent for pen or cage assignment.
19. Once an animal is checked in, no replacement animal will be allowed for any reason.
20. Large livestock exhibitors must complete morning feeding and primary clean-up of pen area before 9:00 a.m. each day. After 9:00 a.m. there will be no unattended pans in the pens, except for water containers in the goat and sheep barns and automatic waterers in the swine barn. Evening feeding must take place before 7:30 p.m. All tack and feed containers should be clearly labeled with exhibitor's name. It is also recommended that exhibitor's name be put in some obscure place on show clothes. Tools must be put away immediately after use. All tools should be clearly marked, in permanent ink, with exhibitor's name and 4-H club or FFA chapter if applicable.
21. Large livestock exhibitors whose animals are NOT sold through the auction are required to completely clean out their pens, stripped to the ground, at the conclusion of the Fair.
22. Grooming of animals will only be allowed in designated areas. Please check with the Superintendent for your department's area.
23. Wood shavings or straw will be provided to each exhibitor. See the Superintendent of the department for more information.
24. Nothing may be hung on stalls or pens without the department Superintendent's approval. No commercial signs may be displayed in the barns.
25. Breeding animals (beef, sheep, goats, rabbits, poultry) may be advertised for sale prior to the Junior Livestock Auction. This includes both Junior and open animals. See the department Superintendent for specific advertising requirements. Animals sold CAN NOT be removed from the Fairgrounds prior to 4:00 p.m. on Monday.

OPEN LIVESTOCK RULES:

Exhibitors must bring their own cleaning equipment. Poultry and rabbit exhibitors must check with department superintendents for feeding and cleaning directions.

JUNIOR 4-H/FFA LIVESTOCK RULES:

In addition to the General Fair Rules, National Show Ring Code of Ethics for the 2005 Coconino County Fair, Livestock Rules, and individual department rules, the following specific regulations shall apply to all Junior (4-H/FFA) Livestock, Open Livestock, and Junior Livestock Auction entries.

1. All Junior livestock departments are open to Coconino County 4-H and FFA members only. Junior livestock exhibitors must be currently enrolled, and a member in good standing, as determined by the 4-H agent or FFA advisor.
2. The Extension Office will notify all 4-H market livestock project members about animal ear tagging and/or identification. The FFA advisor will notify all FFA members in their chapter.
Market animal ownership deadlines are as follows: Market Steer – April 15; Swine–June 1 ; Lamb–June 1 ; Goats –May 15, Poultry and Rabbit–July 1. All market animals must be ear-tagged or tattooed, in the possession of and under the daily care of the 4-H or FFA member by these deadlines. This marks the beginning of the feeding period.
3. All non-market livestock must be owned and under the daily care of exhibitor 60 days prior to opening day of the Fair.
4. Purchasing a Junior animal does not guarantee that the animal will be eligible to exhibit at the Fair; exhibiting at the Fair does not guarantee that the animal will be sold at auction; selling an animal in the auction does not guarantee that a profit will be made.
5. Each 4-H livestock exhibitor is encouraged to have a livestock-related exhibit in the Clubwork building.
6. A Junior livestock exhibitor may have two market animals of the same species in a project. Both animals must be ear-tagged or have required identification, and be registered as project animals in the 4-H or FFA program at the start of the feeding period. However, only one market animal can be officially weighed-in at the Fair. The exhibitor must decide which animal will be officially weighed prior to coming across the scale. Market animals sifted for weight at the scale cannot be replaced.
7. Large male market animals must be castrated by the livestock ownership deadline dates. Female swine, sheep, or goats may be used for market animals.
8. Consumption of alcohol, use of drugs or use of tobacco by Junior exhibitors is prohibited.
9. All members must conduct themselves in a showmanship manner appropriate to 4-H or FFA.
10. All 4-H and FFA members participating in the auction are required to exhibit their own animal in the auction ring. Violation of this rule will result in the animal being moved to the last lot of the auction, prior to resale animals.
11. Exhibitor must have purchased and/or raised, fed, cared for, and trained his/her animal.
12. If a Junior exhibitor shows in conformation, he/she must show in showmanship. Exhibitors must use their own animals for all showmanship classes, including Round Robin. **Exhibitors who do not participate in Showmanship will NOT be allowed to auction their animal.**
13. The Livestock Auction Coordinator will officially weigh all market livestock entries. Animals are to be clean and dry. No wet animals will be weighed. Animals will be weighed between noon and 7:00 p.m. Exhibitors must be in line for weigh-in no later than 7:00 p.m. **Exhibitors must take their own large animal to weigh-in. Failure to weigh-in your own large animal will result in the exhibitor being disqualified and the animal being removed from the Fairgrounds.** Small stock market project members will be advised of small stock weigh-in procedures when their animals are checked in at the Fair.
14. Market livestock will be weighed one time only. Protest or request for reweigh must be made while the animal is on the scale. The Weigh Master will balance the scale and immediately reweigh the animal. The Weigh Master will have final say.

15. Animals that do not make weight may be shown in showmanship and feeder classes only, and will not be sold through the auction. Members who do not want to show their sifted animal must remove it from the fairgrounds by 8:00 p.m. on weigh-in day. Animals sifted for other than weight must be removed immediately from the fairgrounds.
16. Market animals not eligible to be auctioned may be advertised for sale by private treaty after completion of the auction. Sale signs must be in good taste. Members who sell their animals outside of the auction, and who do not pay the auction commission, must make their own arrangements for disposition of their animals and must get a signed release from the Department Superintendent.
17. The Junior Livestock Auction is open to all 4-H and FFA members whose market livestock exhibits have received blue, red, or white ribbons during conformation judging of the market livestock classes. Only animals receiving Grand and Reserve awards are required to sell. All other blue, red or white ribbon animals may sell at the discretion of the exhibitor. Exhibitors not wanting to sell their animals at the auction must notify the Livestock Auction Coordinator immediately following the judging show. Only two large market animals (beef, swine, lambs, and goats) may be sold at the auction, or one large market animal and one small market animal exhibit (rabbits and poultry), or two small market animal exhibits. In the event an exhibitor has three or more animals that receive championships, all of the animals will sell. If the exhibitor has three or more animals, and one is a Grand or Reserve, the Grand or Reserve must sell, and the exhibitor has the choice of one other animal to sell at the auction.
18. Percentages of sales withheld by the Livestock Auction Committee for animals auctioned are as follows: Market Beef-4%, Market Lambs, Goats and Swine-6%, Market Rabbits and Poultry-10%. Checks to sellers will not be issued until after October 15 and only after buyer's payment has been received.
19. Junior livestock exhibitors will be issued a wristband for admission into the Fair. In addition, each Junior livestock exhibitor's family will receive four 1-day passes for a parent to accompany the exhibitor. All Junior Livestock Leaders will also receive wristbands for Fair admission. If both parents of an exhibitor are 4-H Livestock Leaders, then no 1-day passes will be issued.
20. To participate in the Coconino County Fair and Arizona State Fair, Junior (4-H/FFA) Livestock Exhibitors (Beef, Dairy Goats, Sheep or Swine) must have attended a Youth Livestock Quality Assurance Certification Workshop. This certification is valid for three years. Workshop dates and times will be announced in the 4-H newsletter and through the FFA Advisor.

JUNIOR LIVESTOCK EXHIBITOR GRIEVANCE PROCEDURES

In order for the Coconino County Fair to function efficiently, a Grievance Procedure and Committee has been developed to rule on all grievances, protests or appeals related to Junior livestock departments. The Grievance Committee will consist of a representative of the Junior Livestock Auction Coordinator, a Junior member appointed by the 4-H Agent and FFA Advisor, the Livestock Coordinator, a non-livestock superintendent and the 4-H Youth Development Agent and FFA Advisor. Committee members will be announced before the Fair and will receive instructions about their assignment from the 4-H Youth Development Agent and FFA Advisor. Decisions of this committee will be by consensus and will be final.

The Grievance Committee will consider no protest or appeal based upon the statement that the judge or judges are incompetent or have overlooked an animal. The right of an exhibitor to appeal the decision of the judge to the Grievance Committee will be upheld only when it is charged that the award has been made in violation of the rules governing the exhibit, or when it is charged the decision of the judge has been influenced or interfered with by another. All questions in dispute, or differences not covered by General Fair Rules, The National Show Ring Code of Ethics for the 2005 Coconino County Fair or the Livestock Rules, shall be referred to the Grievance Committee whose decision shall be final.

PROCEDURE TO FILE A GRIEVANCE

1. A grievance or protest can only be filed by an exhibitor.
2. Notify the department Superintendent where the problem exists to allow discussion and possible resolution prior to filing a written grievance. If the situation cannot be resolved, obtain a grievance form from the Superintendent.

3. On the form, write a complete statement concerning the facts to include:
 - a. date
 - b. time
 - c. problem
 - d. signatures of interested parties, including the exhibitor
 - e. addresses and phone numbers of said parties.
4. The department Superintendent must sign the grievance form acknowledging the grievance.
5. The written protest must be given to a Grievance Committee Member.
6. The Grievance Committee Member will meet with the Superintendent for further discussion and clarification.
7. The Committee will then meet privately to discuss the grievance and make a final decision.
8. All decisions will be written on the back of the grievance form with the original given to the Operations Manager or CCPR Director and copies given to the appropriate Superintendent and the party submitting the grievance. The 4-H Youth Development Agent and FFA Advisor will sign the original form with the decision.
9. All protests resulting from the judge's decision must be made to the Grievance Committee within one hour after the award has been made if given directly to the individual. All other grievances must be turned in by 4:00 p.m. the last day of the Fair.

There will be a small stock as well as a large stock Round Robin competition. Showmen may compete in either or both competitions. Small stock will include rabbit and poultry. Large stock will include dairy goat, market goat, market beef, market sheep, breeding sheep, market swine, llama, and English and Western Showmanship winners in Horse. Species not having showmanship exhibitors will not be included.

Showmen may compete in Supreme Round Robin Showmanship. All showmen who wish to compete for Supreme Round Robin Showmanship must show all species present in small stock and large stock Round Robin. Junior and Senior large and small stock Round Robin showmanship winners will be determined using a point system. The Junior and Senior Supreme Showman will be selected using a combined score of large and small stock species.

1. Showmen must show the same animal that was used in the showmanship class in which they won Champion Showman or Reserve Champion Showman.
2. Each species will have appointed stations in the show ring. For example; the Junior Showman will have his/her animal at a station and the Senior Showman will have the same species at that station. (Each station will have two animals of the same species.) Showman will show their own animals first.
3. Showmen will have about five minutes at each station and will rotate around the show ring until they have shown each species.
4. Each station will have a judge. Each judge will use a scorecard to judge each Showman.
5. There will be a Junior Round Robin Champion and a Senior Round Robin Champion. A Junior and Senior Supreme Round Robin Showman will be selected from the 4-H/FFA Showman who has the most points between small and large stock for their respective age division. Showmen are not required to show both large and small stock. However, those who choose to compete for Supreme Round Robin Showman will need to compete in both large and small stock.
6. Blank scorecards will be available for review in each livestock barn.

ROUND ROBIN SHOWMANSHIP PROCEDURES

Junior and Senior 4-H/FFA members who win a Showmanship class are eligible to compete in Round Robin and Supreme Round Robin Showmanship. Any Junior or Senior 4-H/FFA member who wins more than one Showmanship class must select to represent only one species in Round Robin competition. The Champion Showman must notify the superintendent of the species he/she chooses to represent immediately following that show. The Champion Showman must also immediately notify the Superintendent of the species not chosen for Round Robin competition. The Reserve Showman will then be eligible to compete in Round Robin. Two animals from each species will be at each station.

NATIONAL SHOW RING CODE OF ETHICS FOR THE 2005 COCONINO COUNTY FAIR

This Code of Ethics applies to anyone exhibiting animals at livestock shows in the United States. **It includes Junior as well as Open class exhibitors who compete in structured classes of competition.** All classes of livestock offered at the livestock event are included: Cattle, (Beef and Dairy); Goats (Angora, Boer, Dairy, Meat, Cashmere); Equine (Donkey, Horses, Mules); Llamas and other specialty animals; Poultry; Rabbits; Sheep; Swine; and any other livestock classes offered. This "National Show Ring Code of Ethics" will be enhanced with additional Department Rules which individual fairs and livestock shows impose on the local, county, state, regional, and national levels.

The following practices or procedures are unacceptable and are defined as being deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drugs is prohibited. Legal or illegal substances used to phenotypically alter the appearance of an animal entered in livestock events is prohibited (see rule #4). Use of illegal drugs is considered a pre-meditated act. Furthermore, any information obtained in the practice of illegal alteration of an animal will be turned over to the proper authorities for criminal prosecution.

This is a "one-strike and you are out" policy.

Exhibitor will forfeit any premium, awards, or auction proceeds, and will be prohibited from further competition at shows in the United States, as well as being subject to criminal prosecution if proven guilty.

The following is a listing of guidelines all exhibitors must follow to enter livestock at the organized competitive events.

1. All exhibitors must have viable proof (Junior division) of ownership available to prove length of time animals have been owned. Market animals (Beef, Sheep, Goats & Swine) must be owned and under exhibitor's daily care according to established Department Rules for the Fair. This also includes all small market animals (rabbits and poultry). The official ownership date is the date shown on the bill of sale, unless the animal was bred by the exhibitor, in which case calving or birth records must be shown. (Local rules may determine ownership requirements for non-market animals.)
2. No exhibitor may show an animal that has been previously sold at an auction or sale as a market animal through another fair or livestock show, whether or not there is an actual change of ownership (progressive level show excluded). Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered illegal. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. **False ownership is illegal.**
3. Junior exhibitors are expected to care for and groom their animals while at the Fair or livestock show. (Individual consideration will be given in extenuating circumstances.) Adults will not be allowed to physically assist in the preparation of the animal while at the show. Verbal instruction will be allowed, **but no physical assistance is permitted.** Other 4-H/FFA members in good standing in the 4-H and FFA programs may render physical assistance. Any violations of this rule will result in immediate disqualification from the show.
4. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited.

This includes, but is not limited to the use of graphite, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that it is irritating (unless required to reduce edema at time of calving), or similar products. The use of dyes, spray paint or other artificial coloring that result in altering an animal's true and natural appearance and/or color is prohibited. Adding false hair or hair-like material fleece or skin at any point, spot or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example, the use of alcoholic or carbonated beverages as a drench or filler etc.

5. The use of tranquilizers, sedatives, or depressants that alter the physical or physiological state of the animal is illegal. Exceptions to this rule would be a licensed certified veterinarian's treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration (FDA) for use in meat producing animals. All exhibitors shall advise Show Management of any drugs and/or medications administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, and time and date of administration shall be presented to Show Management prior to the showing and sale of the animal. Failure to report this information to the Show Management will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the FDA is strictly prohibited. All animals entered into livestock competition shall be subject to testing for foreign substances that exceed acceptable levels established FDA, Food Safety Inspection Service, U.S. Department of Agriculture (USDA), or Environmental Protection Agency. During the livestock events, in the case of animals requiring treatment, all medications shall be administered by a licensed veterinarian and the livestock show officials shall be notified.
6. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of an animal to change the natural contour, conformation or appearance of an animal's body is illegal. This includes vegetable oil, silicon or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation that are allowed include clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

7. The balancing of the udder by abnormal means that include the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding (sealing the ends with a mechanical contrivance) or with the use of a chemical preparation is illegal. Treating or massaging the udder or its attachments with an irritant or counter irritant is prohibited.
8. The use of inhumane fitting, show ring, and/or handling practices or devices shall not be tolerated. For example, breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, or use of overly severe bits is not acceptable.
9. Direct criticism or interference with the judge, Show Management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.
10. An exhibitor who sells an animal at auction shall be held directly responsible for animals that are subsequently rejected at a processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchase price, and may also be liable for attorney's fees and civil penalties. Show Management may share acceptable intelligence and evidence information with FDA and USDA. If for any reason, any part of a meat animal carcass must be removed by the FDA or USDA inspectors, the market price will be discounted.
11. Show Management reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or the inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

Any violation of "The National Show Ring Code of Ethics" or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards and disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition. Possible civil penalties may be imposed by the proper authorities based on evidence of a violation of the Federal Food, Drug and Cosmetic Act, or animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels.

Other cooperating shows will be notified of the action taken by Show Management, which may affect the eligibility of the individual, group or sponsoring organization for participation at other shows.

CCPR will have the final decision.

DEPARTMENT RULES

1. All General Fair Rules apply.
2. Only exhibits from Coconino County will be eligible for competition and cash awards. Hot house or hydroponic grown vegetables will be judged separately, see appropriate category.
3. Lots reading "ANY OTHER VARIETY NAMED" must be named or they will not be judged. Write variety name on your entry form. Every year gardeners grow new varieties not listed in the Fair Book. While we make every effort to include as many new varieties as possible, some are not listed. With the computer system, it is no longer possible for the Fair to add lots at entry time. We have tried to make provisions to accept as many of the unlisted items as possible and will assist you in trying to find the appropriate category. If a category cannot be found, we invite you to leave the item as a display item (showing that the variety can be grown here), to be added to next year's Fair Book.
4. All lots judged on a MARKET standard of size, uniformity and presentation.
5. Youth Age Group - Open to Coconino County residents under 18 years of age as of July 31, 2005. Rules and lots are the same as for adults. A rosette for Best of Show will be given. Please write "Y" for youth, under age group. Pictures of children in their garden or putting up food are requested for decoration. Please bring pictures during exhibit entry and they will be returned at entry pick up time. Please write name and phone number on back of pictures.

FINE ARTS

DEPARTMENT CODE "FA"

THIS SUPERINTENDENT POSITION IS CURRENTLY OPEN; Please call the Cynthia Nemeth at (928)774-5139 if you are interested!

DEPARTMENT RULES

1. All General Fair Rules apply.
2. When completing the entry form, list the price of your work if you wish to sell it or "NFS" (Not For Sale) if you do not wish to sell it after the "Description of Article"; also list "P" for Professional, "E" for Experienced or "A" for Amateur under "Department Class Code". Please be complete and legible, particularly on name, address, etc.
3. All two-dimensional artwork must be delivered framed and wired securely (the wire must be attached to both sides of the frame), ready for hanging. Wire hooks will not be acceptable. If the work is not securely wired, Fair staff cannot assume responsibility for the piece. All work, other than oil paintings, must be protected under glass or mylar. Three dimensional work must be unpacked with adequate support for display. Completed entry tags for your items will be supplied at the time of receiving. All entries must have a title. If you can't think of one, use "Untitled 1", "Untitled XX" or similar designation. Do not use category descriptions from the Fair Book as titles.
4. Eligibility: Open to all Professional, Experienced and Amateur artists and photographers who are permanent residents of Coconino County or Sedona.
5. Entry Limits: Any exhibitor may enter a maximum of five entries, no more than one in any lot. It is the responsibility of the entrant to complete the entry form appropriately with the correct category and lot number. Incorrectly entered items may be disqualified from judging. If you have any questions, please call the Fine Arts Superintendent(s).
6. All work must be original (not copied, duplicated, or a reproduction). It must NOT have been exhibited at any previous Coconino County Fair Fine Arts show. Work done as a classroom exercise or assignment will be accepted in the Amateur Division only.
7. Work recognized as a craft kit or copy will automatically be rejected.
8. Two-Dimensional Art: Paintings, photographs, drawings, and prints.
 - a. Two-dimensional work must not exceed a maximum size of 42" x 42".
 - b. Two-dimensional art will be hung on pegboard, using hooks provided by the Fair, and the work must be light enough to be safely hung in this way.
 - c. Two-dimensional artwork must be framed and securely wired, using wire designed for hanging artwork, securely attached to two anchor points on the frame. There are various professional framers and craft stores in the county that can assist you with this.
9. Three-Dimensional Art: Sculpture, ceramics, jewelry, or any other art work which does not fit the definition of twodimensional, or which cannot safely be hung on the wall.
 - a. Three-dimensional artwork must not measure more than 20 inches in any dimension or weigh more than 50 lbs.
 - b. Three-dimensional artwork will be shown in locked display cases with a maximum shelf width of 11 inches. Artwork which will not fit in the case, or requiring a special stand must be discussed with the Superintendent before entry day. Special stands must be provided by the artist.
 - c. All artwork must be delivered unpacked and ready for exhibition.
10. All artwork, if not signed on the front, must have the artist's signature on the back or bottom. (Signatures on the front will be covered during judging.)
11. Entries will receive careful handling, however, insurance on your exhibit, if desired, must be carried by the artist. CCPR will not be responsible for lost, stolen or damaged items.
12. Entries found offensive in any way will not be exhibited or judged. The decision will be left up to the Department Superintendent.
13. JUDGING: Ribbons, premiums and other prizes are awarded according to Division: Professional, Experienced and Amateur. Selection of exhibited entries and qualifications for prizes will be determined by the judges. Their decision will be final. The judges may withhold any or all awards in a category if, in their opinion, no work qualifies. Although normally only a single 1st place, 2nd place, and 3rd place ribbon will be awarded in each category, the judges may award duplicate ribbons representing ties. No entry may receive two ribbons. Originality, interest, composition, technique, and presentation will be considered.

14. **RELEASE OF EXHIBITS:** Artists whose work is not accepted into the Fine Arts exhibit will be notified to pick up their work prior to the opening of the Fair. Accepted exhibits will be released after 4:00 p.m. on Monday, September 5. No items will be released prior to that time. All work must be claimed on Monday, September 5 between 4:00 p.m. and 8:00 p.m. only. No one will be permitted to enter the fairgrounds free-of-charge prior to 4:00 p.m. on Monday to pick up exhibits.
15. No work will be released to friends or relatives without written authorization. If you anticipate this will be necessary, please notify the superintendent before or during the Fair.
16. **PREMIUMS:** See the General Rules in the front of this Fair Book for information on receiving your premiums. In addition to premiums, numerous merchants have generously donated gift certificates and other prizes to winners in various categories. 2004 Fine Arts department sponsors are listed at the end of the material for this department.
17. **COMMUNITY PURCHASES** - All work marked "FOR SALE" must have the selling price clearly stated on the entry tag. The purchaser will be asked to leave his/her name, address and phone number with the exhibition host so contact between the seller and buyer can be established. There is no fee for sale of work. HOW TO CHOOSE AND CONDITION SPECIMENS

1. Material for exhibition should be cut in the very early morning or late evening. Most plant material should be placed in warm deep water in a dark or shaded place away from all drafts, and left for several hours or overnight.
2. A mixture of lemon lime soda (not diet soda) and water (equal parts) will keep cut flowers fresh longer. Let this set ½ hour before adding flowers. Cut flower on a slant with a sharp blade, leaving enough stem to be re-cut again at the time of entry. Where possible, remove foliage from at least half of the length of the stem. At the time of entry, re-cut on a slant at least ½" above the end of stem.
3. If the blossoms must be transported some distance, they should be packed carefully in boxes and the flowers separated and protected with waxed paper. Very delicate blossoms should be carried in an upright position in tall cans or buckets half-filled with cool water. Crushed paper, sphagnum moss, sand or plastic snow may be used around the stems to hold them in place.
4. When selecting horticultural specimens, choose blossoms at the "peak of perfection". They should be uniform in size with stems straight, sturdy, and approximately the same length. Dust or spray residue should be carefully washed away.

5. Roses for exhibition should be cut when buds are one-third to one-half open. Roses, Dahlias, poppies and any other flower that "bleeds" should be placed in fairly hot water after cutting.
6. Many specimens may be kept for several days at the "peak of perfection" by wrapping them in waxed paper or plastic, and keeping them in the refrigerator, with stems in water.

NOTE: All youth entries will use the same lot numbers as the adult entries. Specify on the preregistration form by writing A (adult), Y (youth), or C (child).

DEPARTMENT RULES

1. All General Fair Rules apply.
2. Entry day and time: Monday, August 29 from 4:00 p.m. to 7:00 p.m. Items for exhibit must be taken directly to the Home Economics building (see fairground map in front of book). Completed entry tags for exhibit items will be available at the Home Economics building the time of entry.
3. Judging will take place Wednesday, August 31 at 9:00 a.m.
4. Ribbons will be awarded according to merit.
All items are judged against items in the same lot. Each lot may be awarded one blue, one red, one white ribbon, and one honorable mention.
5. The decisions of the judges are final and appeals will not be considered.
6. All exhibitors in this department must be residents of Coconino County.
7. All items entered in this department must be produced by the exhibitor. The one exception to this rule is an item entered into the group category. You must indicate if any portion of your finished work has been completed by anyone else other than yourself. (i.e. framing, quilting, etc.).
8. All items must have been completed or prepared within the past year. Articles previously entered in the Coconino County Fair are not eligible for competition again.
9. No entry of same or similar type shall be entered in any other department.
10. It is the responsibility of the exhibitor to choose the appropriate Class and Lot when entering items for judging. Items entered incorrectly may be disqualified from judging.

13. Exhibitors may only enter one item per lot.
14. Some items have specific entry requirements (i.e. size limits, quantities, container). Please read requirements carefully.
15. Items may be disqualified by the judges if:

DEPARTMENT CODE "JS"

DENISE WOOD, Superintendent

Phone: (435)675-9149

DEPARTMENT RULES

1. All General Fair Rules, Livestock Rules, Junior Livestock Rules and National Show Ring Code of Ethics for Coconino County apply.
2. All Junior exhibitors must be 4-H or FFA members in good standing and enrolled in a Sheep or Angora Goat Project, and must have attended a Youth Livestock Quality Assurance Certification Workshop. This Department also accepts Wool entries from Rabbit, Llama and Alpaca projects.
3. All ownership deadlines will be observed. All market sheep must be owned by the 4-H/FFA member. Breeding sheep and Angora goats may be co-owned or leased, but must be under the daily care of the 4-H/FFA member for the required time. Sheep or Angora goats may be shown by only one exhibitor and those animals must be under the daily care of only one 4-H/ FFA member.
4. Neutered animals may not be shown in breeding classes.
5. Sheep or goats that are not entered in the Fair will not be allowed on the fairgrounds without prior approval from CCPR as an exhibition. No dogs are allowed in this department.
6. All sheep and angora goats must be inspected by the Show Veterinarian at the fair before entering any livestock areas. All sheep and angora goats must not be infected with Bluetongue nor exposed to scrapie, or originate from a scrapie infected source or flock.
7. OUT-OF-STATE sheep and Angora goat entries must have 1) a Prior Entry Permit obtained from the Office of the Arizona State Veterinarian by calling (602) 542-4293, and

Wether sheep and goats less than 18 months of age are exempt from the official scrapie identification requirement. The health certificate must state that the animal has not been infected with Bluetongue, nor exposed to scrapie, nor originated from a scrapie infected or source flock. All rams 6 months of age and older must test negative for Brucellosis within 30 days of the Fair, and this must be documented on the health certificate.
8. All sheep and goats must be free of parasites, abscesses or ulcerations, and ringworm; not under any quarantine; and not recently exposed to any infectious or contagious disease. Any animal deemed unfit by the Livestock Coordinator must be immediately removed from the fairgrounds by the exhibitor.
9. Sheep will not be accepted if their tails have been surgically removed. If prolapse occurs during the Fair, a veterinarian will be called at the sheep owner's expense. Veterinarian recommendations will be followed.
10. No sheep or angora goat may be put into the barn or any pen until it is checked in by the Superintendent.
11. Each 4-H Club or FFA Chapter is expected to have representatives in the Sheep Barn to meet the public and share educational information about Sheep and/or Angora Goats. There will be a sign-up sheet available for this Barn Duty beginning at 7:00 p.m. Thursday evening. Exhibitors are expected to sign up several times for Barn Duty depending on how many members are exhibiting. More than one member will be on duty at a time. Educational exhibits are encouraged; please make arrangements ahead of time with the Superintendent.
12. Exhibitors will maintain their pen and surrounding area for a public and educational setting. Aisles must be kept neat and clean at all times.
13. Grooming and clipping will be allowed only in the designated area. See rule # 3 of the National Show Ring Code of Ethics.
